## Animation Portfolio Workshop

### Life Drawing Pre-session Homework

The following list of books and chapters is only a suggestion – if you have sufficient time between when you have received this list and the first day of class.

The most important of all is the first book listed “The Natural Way To Draw”. If you don’t get to any of the work at all except for this first book and the first few chapters, you will be in good shape for the first few classes.

#### Book List:

1. The Natural Way to Draw by Kionon Nicolaidis (Amazon Books or the Library)  
Do chapters 1,2,4.
2. Drawing on the Right Side of the Brain by Betty Edwards (Library)  
Do chapters 4,6.
3. Drawing the Human Form by William Berry (Library)  
Do chapters 1,2
4. Drawing on the Right Side of the Brain  
Do chapters 7,8,9.
5. Drawing the Human Form by William Berry (Library)  
Do chapters 3,4

These are work books, so read and draw, draw, draw, as opposed to just reading them.

Two other good books to get are:

- Drawing Lessons from The Great Masters by Robert Beverly Hale
- Master Class in Figure Drawing by Robert Beverly Hale
